TIMELINE PLANNER · DEADLINES · ALL APPLICANTS

Application deadline planner

One page for every school you're applying to: deadline, documents, fee and proof you submitted.

HOW TO USE IT

1. List each school and program. Copy the deadline from the school's own page, never a forum.
2. Note the documents and fee each one needs.
3. Tick submitted and keep the confirmation number.

TRY THIS

Put every deadline in your phone calendar with a reminder one week before.

CHECK

Deadlines differ by program and by domestic or international status. Read the program page, not just the school's main page.

WHAT THIS SHEET LEAVES OUT

Ontario's OUAC and OCAS, Alberta's ApplyAlberta and Quebec's systems. Their pages blocked or didn't load for our reader today, so we link nothing we couldn't read.
